Re: Bossert Manufacturing Company Site

Dear Mr. Jay:

Pursuant to our phone conversation of February 17, 1988, I'm writing to confirm your office's grant of a two week extension in response to Rockwell International Corporation's request for an extension of time in which to respond to the February 9, 1988 Section 104(e) information request. Since Rockwell received your letter on February 12, 1988, I calculate Rockwell's response date to be March 14, 1988.

Please advise me promptly if the above is at odds with your understanding.

Very truly yours,

José N. Uranga by jc
